

## **COST and TUITION. . .**

### **Tuition and Fees**

For information, please contact [Admissions](#) (←Need link to the file titled ***Frequent Contact Information*** here) staff regarding the specific tuition and fees for each of the programs offered at CyberTex Institute of Technology (CIT).

The [Net Price Calculator](#) (←Need link here to attached file titled **Net Price Calculator**) can assist you in calculating your approximate cost in order to attend one of the CIT training programs.

### **Paying for your Tuition**

Our Financial Aid officers will work with you to come up with ways to help you pay for your tuition. CIT works with different financial aid and grant programs. Check out the CIT [Financial Aid](#) page (←Need a link here to the text in the attached file titled ***Financial Aid***) page for more information.

Any student who makes a payment to CIT for tuition or any other reason must always request a receipt. Under no circumstances should a student make a payment to CIT if no one is available or able to provide a receipt.

### **Refund Policy**

Refund computations will be based on scheduled course time of class attendance through the last date of attendance. Leaves of absence, suspensions and school holidays will not be counted as part of the scheduled class attendance. Date used for refund computations will be decided within 10 (2 weeks) school days of effective date of termination.

Please visit with our [Admissions](#) (←Need link here to attached file titled ***Admissions***) staff for more information.

### **Payment Plan**

Students may arrange to make equal monthly payments while in school. If a payment plan will pay all indebtedness in full prior to graduation, 0% interest rate will be charged to the student. For the purpose of an amortization schedule, the rate will remain constant during a student's entire enrollment.
